TOTem RETROFIT KIT QUICK SPECIFICATION GUIDE

Making your workspace hybrid-friendly has never been so easy.
With the TOTem Retrofit Kit we can help update your space using existing furniture.

#1: Tell us which existing shelving system you have

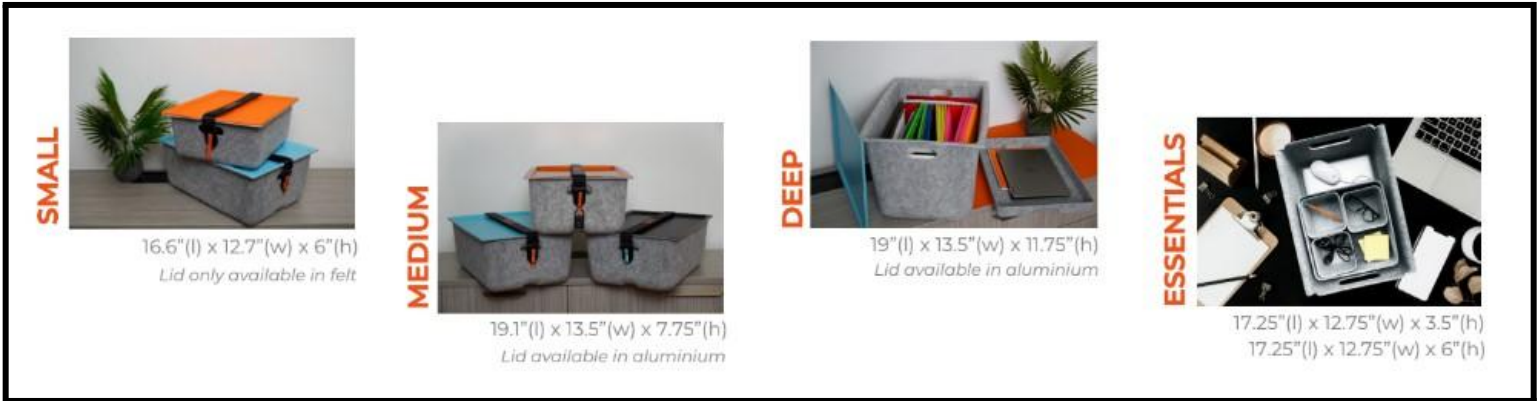

#2: We provide a retrofit kit to fit your shelf

TOTem kit is a metal shelf insert with lockable office caddies that converts your existing screen into an employee day storage console.

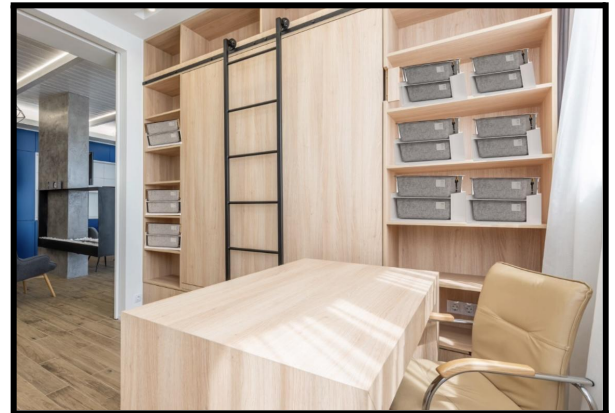

#3: Choose your TOTem size

Transport work essentials & set up a personalized workstation in no time with a Slyde TOTem
Starting at only \$90 per tote!

#4: Mount the kits to your shelving system

SLYDE.
