

Divyde with Interchangeable Add-On Screens

The new desk organizer charging station and safety screen has arrived. No need to get a power strip for multiple devices. No pencil holders or extra bins needed. It could even have screen inserts for #BackToOffice. **Divyde has everything, all in one unit.**

The Divyde Desktop Charging Station serves as a great tool to establish territory for each user all the while allowing the user a convenient area to charge their cell phone, and mount and charge their iPad. With three outlets and two USB 2.0 ports, up to five devices can be charged simultaneously. A lockable cabinet and two side baskets provides additional storage for your electronic devices and office supplies.
