Please note all customizations are project size dependent

BUDGET BREAKDOWN

Save money by maximizing storage & space

By combining the Kompact & TOTem workstation you get versatile storage that reduces wasted space while catering to hybrid working expectations, all at a reduced & smarter rate.

One standard TOTem Essentials = \$90

68" tall standard Kompact unit = \$1,200

**68" Kompact unit w/8 TOTem Essentials =
(\$1,200 + \$720) = \$1,920**

Avg. cost/person ~ \$240

One TOTem Enhanced w/o inserts = \$250

**68" Kompact unit w/8 TOTem Enhanced's =
(\$1,200 + \$2,000) = \$3,200**

Avg. cost/person ~\$400

68" Tall Unit w/TOTem Enhanced (its 8 totes)

Typical Locker vs Slyde Locker vs Kompact Cost Comparison

72" Tall Unit
(fits 4 cubbies)

Typical steel or laminate locker = \$500 per

8 cubbies for 8 people = 8 x \$500 = \$4,000

Add costs for TOTem Essentials = 8 x \$90 = \$720

Total for typical lockers + totes (at twice the storage space) = \$4,720

Slyde 72" Tall Locker Unit (4 stacked cubbies) w/basic digi-lock = \$300 per

8 cubbies for 8 people = 8 x \$300 = \$2,400

Add costs for TOTem Enhanced = 8 x \$250 = \$2,000

Total for lockers + totes (at twice the storage space) = \$4,400

Slyde lockers are still lower than industry average

If needing more versatile storage and concerned over available office space, the Slyde Kompact unit w/totes saves room and money!
